ADDITIONAL INFORMATIONS

Dear customers, you need to know all the relevant information about purchasing pre-fabricated mobile Cabins or Capsules.

PRODUCT:

- *Our pre-fabricated Cabins or Capsule products can be used anywhere in any weather conditions, hurricane-force winds, magnitude 9 earthquakes, withstand -45 or +45 degrees, and have a durability of over 50 years.
- *The place for prefabricated mobile objects has to be checked if you need any permits for the prefabricated mobile object you want to buy.
- *Pre-fabricated mobile objects can be ordered and used without connection to the electrical, water, and sanitary networks.
- *You can order pre-fabricated mobile homes, and create them according to your wishes.

PAYMENT:

- *The product purchased from us is paid separately, and delivery from the factory to your nearest port is paid separately.
- *For the purchased product to be packed and loaded onto the ship, it is necessary to pay the total price of the product and delivery minus a 30% deposit.
- *As for shipping price, it depends on where the purchased product should be delivered, and to which port.
- *If you buy more smart prefabricated mobile capsules, you can get a certain discount depending on how many pieces you buy.
- *It is your obligation from your nearest port to clear customs, pay if there is anything to pay, and ensure delivery from the port to the final location.
- *As for the prices, they are in US dollars and are paid in two installments. The first payment is made upon signing the contract in the amount of 30% of the agreed price of the product.

SHIPPING:

- *Delivery of the product to the port of destination depends on where it is located, it can be 45 days or 65 days, sometimes longer.
- *Information about the movement of the ship with your purchased product can be tracked via GPS. The GPS coordinates will be sent to you by email as soon as the ship departs from the original seaport.

WARRANTY:

- *The warranty on the purchased product lasts 5 years for the main metal structure and 1 year for individual parts of the purchased product.
- *If there is a need for a damaged part of the purchased product, we will send you the same part free of charge, you bear the costs of replacing the damaged part of the purchased product.

RETURNS:

- *The purchase of the product is final and cannot be returned.
